¹Students are strongly encouraged to consult with an advisor at their expected transfer institution to obtain program requirements and specific course recommendations in order to prepare for a particular major.

²Both biological and physical sciences must be taken to meet the requirements for this degree program. If the two-course sequence is taken in the biological sciences, the remaining lecture credit hours must be from the physical sciences and vice versa

³Students should check with intended transfer institution to see whether SPCH 1203 or SPCH 2213 is recommended

⁴Some 4-year institutions require at least one history course as a general education humanities.

⁵Students may choose to take ACCT 2313 and ACCT 2323 in the place of ACCT 2113. ACCT 2313 does not transfer, but it is a prerequisite for ACCT 2323 which does transfer. Credit will not be given for both ACCT 2313 &/or 2213 and ACCT 2113.
