

Music Studio Production (Career and Technical Certificate)

The Career and Technical Certificate (CTC) in Music Studio Production covers room acoustics, microphone selection and placement, audio capture, and the post-production process. Upon completion of the CTC in Music Studio Production, students will be eligible to test for Avid Certified User for ProTools.

To receive this certificate, the student must:

- Complete ETEC 2053: Introduction to Recording Technology with a grade of C or better.
- Complete ETEC 2303: Audio Engineering with a grade of C or better.
- Complete ETEC 2403: Audio for Digital Media with a grade of C or better.

Program Outcomes. Upon successful completion of the program, the graduate will be able to:

1. Judge the quality of room acoustics and alter the space in order to tune the room for a specific audio need.
2. Choose and place microphones that are appropriate for specific instruments and performance spaces.
3. Master a final product for use as an independent contractor.

Program of Study
